

INDOOR BIN GUIDE

Intro

At Recorra, we understand that every organisation is unique, with its own set of challenges and requirements when it comes to waste management. We've curated a comprehensive guide to our containers, designed to help our customers develop a waste strategy tailored to their specific needs and budget.

Waste management shouldn't be a one-size-fits-all approach, which is why we work closely with each of our customers to understand their individual needs and preferences.

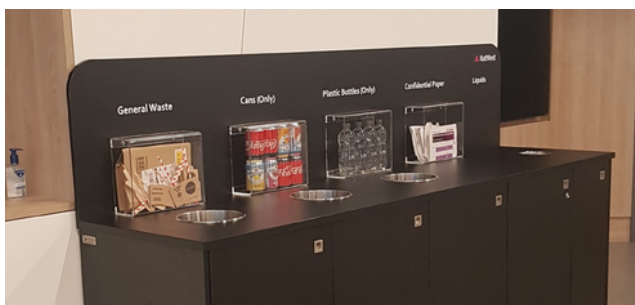

Order bins via helpdesk@recorra.co.uk today.

Bespoke Recycling Stations

Recorra creates recycling stations bespoke to your business requirements. A well-designed recycling station can transform recycling rates and reduce contamination. We offer a variety of materials, configurations, and sizes to choose from, with every station unique to the customer and in line with their brand guidelines, including colours and logos.

Please contact us for a bespoke consultation and quote.

Bespoke Recycling Stations

Our most popular bin option, the bespoke recycling stations are proven to reduce contamination and increase recycling rates. These stations are made to your exact specifications and waste streams. Available in 10 finishes, they seamlessly integrate into any environment, from corporate offices to educational institutions.

Our bespoke recycling station brochure is [available here](#).

Trio

Quad

- Built to blend into your office environment
- Secure integrated locking system and a security feed slot to protect your discarded documents
- In stock for fast delivery

Bin name	Capacity (litres)	Height (cm)	Width (cm)	Depth (cm)	Rental price per week
Secure cabinet	120	89	54	39	£1.80

IT Crates

The IT crate is your solution for responsible and efficient disposal of unwanted IT and electrical equipment. Use this box to store unused items such as laptops, keyboards, wires, and more.

Once full, call our helpdesk to arrange a collection.

IT crate

Bin name	Capacity (litres)	Height (cm)	Width (cm)	Depth (cm)
IT crate	90	60	40	38

Food Caddies

Vented 7L caddy

40L caddy

From April 2025 food waste collections from businesses will be mandatory, get your food waste collection service set up today.

Food bins are used for the collection and composting of organic waste. They provide waterproof and hygienic storage for your food waste, made of tough, durable plastic to prevent spillages or odours. Caddies are ideal for the disposal of waste from kitchens and kitchenettes and are designed to be stored on worktops.

Bin name	Capacity (litres)	Height (cm)	Width (cm)	Depth (cm)
Vented caddy	7	21	25	20
Caddy 40L	40	45	42	37

Circular Box

The Circular Box was designed to capture hard-to-recycle items (such as crisp packets, coffee pods, PPE, stationery, and plastic film) and give them a useful second life. These items are turned into the building material Stormboard, which can be recycled time and time again, all here within the UK.

Material stickers

- Self-assembled box made from recycled cardboard, fully recyclable after use
- Choose a material to recycle from the selection and use the sticker as a handy poster
- In stock for fast delivery

Bin name	Capacity (litres)	Height (cm)	Width (cm)	Depth (cm)
Circular Box	32	30	35	30

Battery and Vape Bins

Organisations have a legal requirement to dispose of batteries and vapes correctly.

When batteries and vapes, disposed of incorrectly, in normal recycling or waste bins, they pose a serious safety risk. If punctured or crushed in our vehicles or at our facility, batteries and vapes cause fires.

Recorra supplies a range of containers to help you dispose of batteries and vapes safely. Once full, get it touch with our helpdesk to arrange a collection.

Bin name	Capacity (kg)	Height (cm)	Width (cm)	Depth (cm)
Box	1Kg	9	11	23
Tube 5L	8Kg	9	11	-
Tube 10L	16Kg	40	17	-
Bin 30L	48Kg	63	34	31

Special Offer Bins

Explore our exclusive end of line bins, available at discounted prices. As we clear out our inventory to make room for new arrivals, these items are available while stocks last.

Trio split bin

Duo split bin

- Comes with A3 signage kit - fits onto the back of the unit where you can insert our colour-coded posters, downloadable from our website.
- You can choose a combination of lids to make a customised unit to suit your needs

Bin name	Capacity (litres)	Height (cm)	Width (cm)	Depth (cm)
Trio split with lift lid	110	85	60	40
Trio split with open lid	110	85	60	40
Duo split	110	85	60	40

Special Offer Bins

Explore our exclusive end of line bins, available at discount prices. As we clear out our inventory to make room for new arrivals, these items are available while stocks last.

Smart Coffee Cup Bin

**WHILE
STOCKS
LAST**

- A removable 7.5 litre reservoir for liquid waste sits in the centre of the unit
- Comes with signage kit which fits onto the back of the bin
- Cups are dropped through circle apertures and are easily stacked inside the collection tubes

Bin name	Capacity	Height (cm)	Width (cm)	Depth (cm)
Cup Bin	420 cups	80	44	44

Posters & Stickers

Recorra supplies a range of posters which detail what can be placed in each bin. Colour-coding and clear signage act as visual triggers for segregation, helping your building users recycle.

Download for free from our website [here](#).

A4 AND A5 STICKERS

These stickers are adhesive versions of our standard posters. They match a wide range of bin types including Slim bins, Eco bins and Smart bins.

Stickers can be attached to the bin itself, on the wall behind or in a signage kit.

Contact us for a quote today.

Office Essentials

Our Office Supplies procurement service makes it easy for businesses to buy more sustainable products for their workplace. We take the waste we collect and turn it into brand new office supplies, closing the loop on your recyclable materials, with most items delivered by zero emissions e-bike.

Don't forget our Batteries & Vapes recycling service. It is a legal requirement for businesses to dispose of batteries safely. Batteries and vapes cause fires when disposed of incorrectly.

Access our website [here](#) or scan our QR code below.

Need to get rid of your old bins?

Want a hassle-free removal of your old bins? We can remove and dispose of all of these containers and other types of your bulky business waste, including furniture, waste electrical equipment, and archive boxes. We recycle or re-use as much as we can, whilst keeping this within the UK.

Book a clearance service through our helpdesk today.

This service does not include hazardous waste or data-bearing items (separately charged)

Ordering Information

All prices exclude VAT.

Delivery is free for purchases over £100, otherwise a £11.00 delivery fee charge applies.
